

Images

Here you can find a list of images (photos, drawings, icons) repositories.

Logo	Name	Description
	<u>Creative Commons</u>	The official website of the Creative Commons organisation hosts a repository with a search engine dedicated to images and content licensed under creative commons licenses.
	<u>Flickr</u>	A social network for sharing pictures that functions as a user-created images repository, with a section dedicated to creative commons-licensed works.
	<u>Wikimedia Commons</u>	Repository of images used and linked to the articles published on Wikipedia.
	<u>Unsplash</u>	Rich repository of free high-resolution photos shared by the community of users.
